They can furthermore get free live quotes and securely order and receive new leads in minutes. Offline, USADATA's expert team of Data Specialists are available by phone, live chat, and email to provide free expert guidance, live quotes, and facilitate new lead ordering. The one-on-one personal assistance USADATA's Data Specialists provide, helps ensure businesses receive the right leads to help acquire new customers.

"We have been using your services for several years, and I can't tell you what an asset USADATA has been to our firm," said Tiffany Fabian, Corporate Development Director of EG Tax in Amherst, NY. "I am happy to report that each year since we started working with USADATA we've seen a continued increase in revenue. We have over 24 offices in Western New York, and your lists have helped us successfully satisfy several new locations, by enabling our continued growth," added Fabian.

"I have worked with USADATA in each of the past 3 years because they provide access to the targeted consumer and business demographic segments our business excels in," said Ed Vicente of Edwin Vicente JR CPA PC of Woodbury, NY. "They also make it easy for me. Leads are delivered in my preferred format which makes getting my mail campaign out the door faster," continued Vicente.

"Our goal is to help businesses find new customers profitably and easily. Whether you prefer to order online or over the phone, or whether you're an experienced or first time direct marketer, we strive to make the process easy, and the success of our clients is paramount," said Jon Rapkin, SVP at USADATA. "Tax professionals and CPAs in the midst of their busy season are turning to USADATA because of the simple and successful approach we offer," added Rapkin.
